Refund Policy and Procedure

Refund Policy – Student’s Default

Any student who wishes to request a refund for whatever reason must complete an Application for Refund Form and address to the CEO, clearly stating the reason for the refund and/or cancellation.

The table below indicates a list of refund items:

Description of items	Refund status
Administration Fee	Non-refundable
Course material fee	Non-refundable
Visa refused prior to course commencement	Full refund less enrolment and course material fees
Withdrawal of course less than 4 weeks prior to course commencement	30% refund less enrolment and course materials fees
Withdrawal of course after course commencement	No refund

Visa cancellation due to students’ actions including providing forged or fraudulent documents etc.	No refund
Enrolment cancelled due to actions of the student and results in serious breaches of SIIT’s policies and procedures	No refund
Compulsory Health Insurance (Student Visa only)	Refer to the OSHC provider
If SIIT withdraws its offer to deliver the course before or after the course commencement date	Full refund including enrolment and course material fee

“**Special circumstances**” under which a full refund will be considered, and which are beyond the student’s control include the following:

- In the case of serious illness – verified by a medical certificate
- Family or personal tragedy
- Acts of God
- Acts of Government authorities, for example where the student is prevented from commencing studies in the agreed course of study.
- Where a Student’s Visa has not been granted

If required / or if SIIT agrees to refund money paid, it will do so within 4 weeks of receiving written application for refund. The refund will include all course fees paid (less the Administration Fee, course materials fees, fees paid to education agents).

If a student withdraws from a course of study after commencing, for any reason outside those specified under “Special Circumstances”, no refund will be given, and the student will be held liable for any unpaid fees as a result of the withdrawal.

SIIT agrees to refund all monies paid, where the course of study has been cancelled prior to commencement in accordance with the scheduled commencement date. In such cases, full payment will be made within 2 weeks (14 days). All monies paid shall be refunded in full.

SIIT will provide the student with a written statement detailing how the amount of the refund has been calculated. All refunds will be paid to the person (the student) who enters into the contract with SIIT unless they provide written direction to the provider to pay the refund to someone else. Under no circumstance will the refund be paid to an education agent or a family member. All refunds will be paid in Australian Dollars.

Note: This agreement, and the availability of complaints and appeals processes, does not remove the right to take action under Australia's consumer protection laws. SIIT's dispute resolution processes do not circumscribe the student's rights to pursue other legal remedies.

Refund – Provider Default

In the unlikely event that SIIT is unable to deliver the course in full, the student will be offered a refund of all the course fees they have paid to date. The refund will be paid to the student within 2 weeks of the day on which the course ceased being offered/provided.

Alternatively, the student may be offered enrolment in another course/qualification by SIIT at no extra cost to the student.

The student has the right to choose whether they would prefer a refund of unused portion of the tuition fee (calculated according to the percentage of training and assessment already completed against the total duration of the qualification), or to accept a place in another course.

If the student chooses placement in another course, SIIT will ask the student to sign a document to indicate that they accept the placement.

For international students, if SIIT is unable to provide a refund or place the student in an alternative course, SIIT's Tuition Protection Service (TPS) will place the student in a suitable alternative course at no extra cost to the student.

If the ESOS Assurance Fund Manager cannot place the student on a suitable alternative course, the student will be eligible for a refund as calculated by the Fund Manager.

Refund Procedure

1. Student will fill-in Refund Request Form with supporting documents and provide a copy of the same to Student Services Officer in person or via email at info@SIIT.edu.au
2. The Student Services Officer will forward this application to the Program Manager who will start processing this application in coordination with the Finance Manager.
3. The Finance Manager and the Program Manager will have a meeting with the CEO who will, based on the evidence provided, either approve or reject the refund request. This decision will be conveyed to the Student Services Officer.
4. The Student Services Officer will then provide a written outcome to the student regarding the refund application. This feedback is provided to the student within 28 days.
